## OUR LOCATION

## PREPARING FOR YOUR APPOINTMENT

- Preparing for your MRI is easy. Follow your normal routine and continue any prescribed medication unless your doctor or our office has instructed you otherwise.
- **Please arrive 15 minutes early** for your scheduled appointment. Bring all Medicare, insurance or health plan documents, subscriber number, etc.
- Normally, sedation is not necessary during the MRI exam. However, if you feel heightened anxiety when visualizing the exam, we suggest you ask your doctor for a mild tranquilizer and take it as prescribed prior to your appointment. Please bring a driver with you.

## BE SURE TO TELL THE TECHNOLOGIST IF ANY OF THE FOLLOWING APPLY TO YOU:

- Have a pacemaker
- Metal fragments are in your body (cochlear implants, metal aneurysm clips, shrapnel, or other electronic implants)
- You think you may be pregnant
